2. What is a Group Administrator?

Group Administrators manage their groups by creating a master record that allows them exclusive rights to their group online. The ASH Registration Center will only release the group login number and password information to the Group Administrator on record. If you need to update the booth administrator at any time you can modify this information via the main menu at any time.

3. What is a Group Housing ID?

All group hotel reservations for the Annual Meeting must be secured directly through the ASH Housing Center. When you create your Group account you will be asked for your group Housing ID. If you do not book through the ASH Housing Center each group delegate will be charged a penalty fee of \$300 per in-person registrant – **no exceptions**. If you make your housing block after you create your group, you can now go back and add the Housing ID into your record:

- Log-in to the group registration website
- Click "Add Group Hotel Block ID" under Group Housing Options
- Update your Housing ID response to Yes and submit your Group Housing ID
- Select **Continue**

The system will verify your housing ID and then remove any penalties that were automatically added. If you need assistance with booking housing, please the ASH Housing Center at ashgrouphousing@spargoinc.com.

ASH Group Registration Information and FAQ's

4. How do I submit my group's registrations?

Registration must be completed online, or by import spreadsheet (if your group contains 50 or more delegates)

- **Individually Online:** Via the group registration website: Group administrators register group delegates, make changes to existing registrations, view lists of registered delegates and pay balances.
- **Import (must submit 50 or more group delegates):** The Import Spreadsheet Template can be downloaded from the group registration website if you indicate your group will contain 50 or more registrants. Upload the document via the group portal and allow up to 10 business days for the list to be imported. Once your list has been imported, use the online module to make changes to existing registrations, register new registrants, view lists of registered delegates, and pay balances.

5. Important Registration Dates?

October 23, 2024, 11:59 PM PST	Advance Registration Pricing Ends (registrations must be entered by 11:59PM PST) First Spreadsheets Due for Import (early registration fees apply, only for groups with 50+)
October 24, 2024	Late Registration Pricing Begins

6. Multiple/Duplicate Registrations

Each individual may have **only one registration record**. The ASH Registration Center routinely reviews records and consolidates duplicates. In this case, one of the records will be cancelled and will appear on your list as "cancelled". Commonly, a duplicate registration is the result of a person who is registered as a group delegate and an exhibitor. We would contact both administrators to resolve the duplicate issue. All exhibitor registrations must be connected to the Exhibiting Company and must be made through the exhibitor registration website.

7. How to send confirmation emails

Email confirmations are not automatically sent to registered group attendees. Group administrators are responsible for sending registration confirmation emails to all their group attendees. Administrators can choose to send a copy of the registrant's email confirmation to themselves or to the registrant directly.

- **Option 1:** Send an email confirmation directly to an individual delegate
 - Select "Review/Modify/Send Confirmations" from the main menu, find the delegate needed, under the heading "Email Confirmation to" click the link "Attendee" to send email confirmation.
- **Option 2:** Send an email confirmation of an individual delegate to the group admin
 - Select "Review/Modify/Send Confirmations" from the main menu, find the delegate needed, under the heading "Email Confirmation to" click the link "Administrator" to send email confirmation.
- **Option 3:** You can also send the confirmation email to all registered delegates at once by clicking the button "Send All Confirmations to Attendees" or send all confirmations to the group admin by clicking the button "Send All Confirmations to Group Administrator".
