SECTION 4 ROUNDTABLE EVENTS

ROUNDTABLE \$0

Roundtables are an important networking, discussion, and learning opportunity in our Congress each year. We are leaving the Roundtables as part of the Virtual Congress, but they are free in this format since you aren't paying for lunch! They will be 45-minute "virtual chats" in a video call similar to a Zoom call, but hosted in the ASRM Virtual Platform. These are limited to 15 registrants, so please only register for those you can attend. Registration is required to assist with capacity enforcement.

List as many table selections as possible, listing your choices by number in order of preference as some may be sold out. You may attend only one Roundtable per day.
